Opis produktu

Limited edition 350g jacket with Uv spot, 220g innerslve, white vinyl edition.

Although a « new » entity in name, ABHOMINE is the latest creation of underground legend Pete Helmkamp (Angelcorpse, Order From Chaos, Revenge...), and his first true solo-project.

A composition of social, artistic, and existential modes which reflect our reality, ABHOMINE is a heaving, grinding mass (hypnosis) of gnarliness and abject sonic cruelty.
