Opis produktu

Highly enigmatic, Aeonian dark ritual ambient sound sculptures of a spiritually disturbing nature. An audial ceremonial ritual temple of extreme Nightside Occult cosmology. "Celebratum", the long-awaited debut CD release of former Dark Age Productions and Ishnigarrab Recordings artist AKHKHARU, comprises remixed, remastered, as well as exclusive newly reworked material sourced from the DAT masters of the AKHKHARU project's three scarce cassette releases, originally issued in 1995 and 1996. The 73 minute audio CD comes factory sealed and includes a 12 page booklet of sigil artwork printed in metallic silver ink on Midnight Black paper with a unique, semi-translucent outer vellum cover.
