Dodatkowe informacje:

2020 repress on dark galaxy green/black vinyl. The layout is the exact same as the first pressing. Comes with a lyrics insert. HELLS HEADBANGERS is proud to present CADAVERIC INCUBATOR's highly anticipated debut album, Sermons of the Devouring Dead . Comprising veterans of the Finnish underground, CADAVERIC INCUBATOR are a power-trio whose sole purpose is to bury the listener under miles of garbage and grime, sewage and sickness. Their long-gestating full-length debut, Sermons of the Devouring Dead comprises a dozen tracks of utterly ugly, morally bereft DEATH METAL of a most classic vintage - and authentically so. Forget about eras or scenes or geography; this is death metal for death metal maniacs, by death metal maniacs.

CADAVERIC INCUBATOR was formed in 2005 by Necroterror (bass/vocals) and Humiliator (guitar/vocals) with the help of various drummers who came and went during the band's first incarnation, which lasted around two years. The aim was to create old-school disgusting
