Opis produktu

"World Domination" is the band's sixth album in their career. Like its predecessor "Chaos Manifesto" (2018), the album was recorded in various studios in Sweden, and was mixed and mastered by Karl Daniel Lidén (Bloodbath, Katatonia) at Tri-Lamb Studio.

The album marks the debut of vocalist Christofer Sätderdal and a return for original drummer Ronnie Bergerstål (2006-2011, 2019-present). The team formula has not seen any major changes. Death metal DEMONICAL is brutal, melodic and brazenly Swedish. The album starts where the previous album ended, but it's more dynamic. The sound has also changed and is more lively.
