### Opis produktu

4th full-length album by cosmic themed concept band DEPHOSPHORUS from Greece. Hailed for a decade now by the international underground scene for their original astrogrind style, a crushing and trippy blend of crust/grind, black/death metal, post-hardcore, noise rock, doom/sludge with psychedelic electronic touches. Includes ex and current members of STRAIGHTHATE, EMBRACE OF THORNS, THOU ART LORD, VACANTFIELD, RAVENCULT... A must have for fans of LEVIATHAN, NEUROSIS, DEAD CONGREGATION, JIGSORE TERROR.
