### Opis produktu

The album comes with an 16 sided, 170 gsm booklet packed in transparent jewelcase, sealed. Originally released in digital form in 2015, the record has lost nothing of its appeal. It just keeps spreading wide and even more lethally than in its first days. Despite the crude barbarity in every tone, this record has so many hooks and slashes opening new and new wounds it just can't get over-played. The riffing and rhythms arrangements maintain what only few can achieve. Explore the dimensions "Sacrosanct" has to reveal for yourselves.
