Opis produktu

„THE BITTER END“ is the albumtitle, FATALIST is the band !

Hailing from California/USA the Swe-Death Metal worshippers are back with their first „real“ album. Remember, the debut „The Depths Of Inhumanity“ included just re-recorded demo songs.

On „The Bitter End“ you'll enjoy very brutal, authentic and catchy Death Metal with passion in the vein of DISMEMBER, NIHILIST/ early ENTOMBED and the other good old ones from the end 80's, early 90's Swedish scene. Listen to „The Bitter End“ , close your eyes and hit the train to a journey back in time, full of filth, blood, leather, spikes and rotten Death Metal tunes !

Artwork by Skirill/ Macabre Dark Art.
