Opis produktu

Funeral Winds is back with another stab of the murderous knife infused with poison of early 90's raw Black Metal filth. 'Stigmata Mali' consists of 8 wounds of Black Metal wrath inflicted on all that's holy. As one of the pioneering European Black Metal bands that is still active today Funeral Winds delivers with 'Stigmata Mali' a monument of dedication to true Black Metal and the Sinister. Hateful, raw and Satanic... Black Metal the way it was meant to be!
