## Opis produktu

New killer ep on the whole 27 minutes material. The name Grá derives from a combination of the swedish word "grå" and the icelandic form "grár", meaning "gray". From our perspective, what is gray is in between. Between beginning and end, night and day, life and death. When we are standing along the shores of Styx, awaiting Charon to bring us along, we are in the gray of existence. Ready to embrace Nothingness. Grá (with Cursed 13, Domgård and Spazmosity members) plays Scandinavian Black Metal exclusively!
