Opis produktu

Utterly dark and cruel black metal hymns inspired by victorious times. Purity Renaissance's debut promo cassette offers 6 hymns (plus intro and outro) of desolate, yet triumphant black metal infused with pure European glory. Rarely has a North American act managed to sound so close to European bands like Odal or Cultus. This recording, previously released as a highly limited promotional cassette, has been remixed by the band and remastered by Baron Yrch Malachi of Blood Tyrant.
