Opis produktu

Any time you dip your fingers into the furious waters created by New York-based Black/Death Metal hybrid Ruin Lust, you have to understand you're in for a savage beating. You're going to be swallowed under the waves and have your body ground against the rock, and if you do surface again, it's going to come complete with bloody wounds and a damaged psyche. A seven-track, 26-minute blast furnace in tow, the band brings a hellacious assault that never relents over the entire body of the album.
