Opis produktu

First full-length album, recorded 1994 but never released at that time.

The Burial Dimensions album was recorded at ADM studios in the summer of 1994 and shelved for 17 years for various reasons (only one copy was in existence in 2011!) until To The Death Records released it 2011 as part of the 3-LP compilation "Never After - The Complete Recordings". The compilation was released on 2CD by Dark Descent Records june 2015. A vinyl version of this LP was released by Dark Descent Records july 2016.
