Opis produktu

German Death Metal butchers SLAUGHTERDAY have completed their 3 album entitled „Ancient Death Triumph” which is going to be released by FDA Records November 27 .

Slaughterday delivers 9 brandnew blood soaking songs, with no doubt their best material so far. Some people call them the German AUTOPSY, but no friends, Slaughterday is much more than this. Believe me or not, the new songs are on the same high and authentic level like all the classic evergreen stuff from the early days as „Mental Funeral”, „Leprosy”, „Left Hand Path”, „War Master” and so on.. SLAUGHTERDAY is pure fukken authentic nasty Death Metal !
