### Opis produktu

"Kalamität" is the new EP courtesy of THANATOMANIA from Germany, who in recent years managed to impress us with their demo, the "Drangsal" EP, their full-length as well as with their split w/ Rimruna. Accompanied by two contemplative acoustic pieces these two lengthy songs on here represent thoughtful renditions of a dreadful longing for death & despair. Resigned, bitter & emotional Black Metal. Still, THANATOMANIA's misanthropic & life-negating atmosphere is nurtured by a certain evocative musicality on its grave downward path towards calamity...
