### Opis produktu

With 4 abyssal downward spirals, BEXADDE is approaching the concept of the unconditional acceptance of painful truths, dragging you down into the depths of dealing with uncertainties, hopelessness and aporia. BEXADDE is a culmination of irresolvable internal contradictions, unbearable thoughts, unrelenting obsessions, and thereof, a chronic condition of excruciating anxiety.

Musically, completely unimpressed by any imposed expectations, Toadeater are creating a nightmarish black metal setting, combining atmosphere and aggressiveness, with visceral fury, primal emotions and a sinister intensity that refuses to subordinate to average genre-normatives.
